Petn. Subbaramaiya of Kasba Bidarguru in the Mekal Taluk.

Subject

Appeal against the order of the Dy Collr, Bangalore declining to interfere with the order of his predecessor granting a portion of the land of Malleswara land on temporarily assessment to one Complt Padmanabha Setty

Facts of the case

(Serial No 1. last file)

Dec 16.4.93 petn put in an application to the Bangalore Dy Asstt Collr stating that Magi No 112 a portion of S. No 20 of Bidarguru had been granted to him on Inam Kandaya under the that during the S. Settlement the said portion was included in the land of the Mala-
-kere

kere lands and reserved, that
he subd a plot to him on 11.2.93
praying for grant of the said
portion as usual by giving
it a separate no which re
quest was not granted by
such letter 29.1.93 on the
ground that though the land
was in the pltf's occupancy
previous to Survey Settlement
the same had been included
in the land of the Mahalkari
Taluka during the Settlement
and
that he learnt that a portion
of the land of Dadabhai with
same kabja under similar
circumstances was ordered
by Govt to be assessed
assessment on the re-
commendation of the Asstt
though it had no water
and contained valuable teak
and praying that the said land
might be given to him on
full assessment though the
plot would be only for grazing
purposes.

The 2nd Asstt Collr for-
warded the plot to the Ht
for submission of the pltf's
statement as to whether he would

would like to take up the land temporarily on agst binding himself and (forgive up of the land without compensation when required

(Serial No. 3 last file)

The petr gave a deposition to that effect on June 93 which was forwarded to the Asst Comr on 1-6-93 with for orders.

No orders having been received the petr put in a reminder petn on 19-7-94 the Collector which was forwarded to the Asst Comr for orders with reference to the previous correspondence on the subject.

Vide letter ?

On 23rd May 1895 the 2nd Cl Asst Comr issued a Hukum to the Collector as follows:-

Even if the land be given to petr temporarily for Chulgaval when the cattle of the other villagers and those of the neighbouring villages go there for grazing there might be a dispute between the petr and them as ab. Hence if

the land cannot be given
to petitioner temporarily.
He must be informed of this.

of 11.8.93 to the Asst Commr and
allied papers ending with
Revn No 29.1.93 are not inside

On 16.11.94 one Padmabha
Sastry of Bidargere village
put in a darkast for the said
land. The Mojindar Submitted a
report No 125 dated 1.1.95 with
plan stating that the land
referred to was on a higher
level than the rest of the field
and that a portion of it was
capable of being cultivated with
dry crops while the other with
wet crops as per margin

The Shekdar Submitted
the wishes of the villagers
on 18.5.95 in which the villagers
stated that they had no objection
for the grant of the land for
cultivation and that they
remembered having made
a similar remark on the
darkast of Subramanya in
1893.

The Collector therefore directed the Asst Collector to submit latest details and observations about the land with a view of granting it to Padmanabhaswamy. The Asst Collector in reply sent the same with the remarks observing that the demension of land was necessary in his opinion for preserving the tank -

The Survey Superintendent Serials No. 15 and 16
who was requested to assess the land portion of S.No 8 gave as his opinion that the same could not be assessed with reference of grant in permanently for cultivation without the demension of tank and that the Collector might if he liked grant the land temporarily on assessment. To

The Secretary to the Government
of Mysore,
Genl & Rev. Departments.

Sir,

With reference to your official Memo No. Pt 1189 of the 21st March 1898, calling for a report on the petition of Subbaramanayya of Bidarayre in the Kunigal Taluk, regarding a certain land forming the bed of the Mudkere tank in the same village, I have the honor to state as follows.

2- In 1893, the petitioner applied for a portion of a land Survey, No 90 of the Bidarayre village of the Kunigal Taluk, included in the bed of the Mudkere tank stating that previous to the introduction of the Survey Settlement, the land had been in his holding on Mulgaval tenure, and that, at the time of the Survey settlement, it had been classed as Kharab as forming a tank-bed, and prayed that the land might be granted to him on Kandayam for grazing his cattle thereon.

The application was rejected on the ground that the land formed the bed of the tank and also that its grant to the applicant would lead to disputes between him and the villagers. In November 1894, one Padmanabha Sastri of Cheral applied for the land above referred to, to be granted to him on Kandayam. The Executive Engineer, who was written to stated that though included in the tank bed, the land was not liable to submersion. After some correspondence in the matter, on the 9th February 1897, the then Deputy Commissioner directed that the land in question be granted to the applicant Padmanabha Sastri on Kandayam, on the condition that he would give the land to Government free of cost whenever it was wanted. Against this order, Subbaramayya, the first applicant for the land, petitioned to this office, but he was told that nothing could be done by this office in the matter. It is on this order, that the present appeal to Government has been presented.

3 The records of the case are

forwarded herewith, together with the enclosures of the memorandum reply.
